I hereby make application for water _____ sewer _____ service on Lot _____, Block _____, of _____

Addition to the City of Wenatchee, to be connected with the water system by _____ inch pipe. Water is to be used for residential/commercial purposes, and I agree that I will not permit such water to be used for any other purposes than herein specified, nor on any other premises, except by application to the Water Department. I also agree to pay such fees and charges for the use and service of water at such times as prescribed in the ordinances passed by the City Council regulating the use and price of water, and to comply with the rules therein prescribed; and the said applicant expressly stipulates and agrees to indemnify and save harmless the City of Wenatchee from all suits and actions of every kind and description brought against said city for or on account of any injuries or damages received or sustained by any party or parties in consequence of any negligence of said city, or its agents or its employees, in supplying said service; and in the event of frozen pipes, to indemnify and save the said city harmless by reason of any negligence of the said city; or its agents or its employees, on account of any act or omission on the part of said city in thawing the same. I understand that it is unlawful to connect any type of auxiliary connection to the service line within the meter chamber, and that all irrigation lines must be connected on the property side of the chamber with an appropriate backflow prevention device.
